

AGCO Agriculture Foundation Donates to Ukraine Emergency Relief

March 07, 2022

Fund will support humanitarian efforts in Ukraine and its borders

The [AGCO Agriculture Foundation \(AAF\)](#), a private foundation with the vision to prevent and relieve hunger through sustainable agricultural development, today announced a **\$100,000** donation to the World Food Program USA (WFPUSA). The donation will support the United Nations World Food Programme (WFP) emergency relief efforts to provide food assistance for families affected by the conflict inside Ukraine and neighboring countries.

Farmers, farming communities, homes, and economies have all been badly impacted by Ukraine's ongoing crisis. In addition, people are fleeing their homes, families, farms, land and businesses. Our thoughts and prayers are with our employees, families, and the people of Ukraine during this time of crisis.

"Watching the destruction of lives and lands due to the crisis in Ukraine is deeply troubling," said Roger N. Batkin, Board Chair, AGCO Agriculture Foundation. "Sustainably feeding the world is core to our purpose, and we are immediately concerned about the food security of the people caught in the Ukraine crisis. Through our community development and humanitarian focus, we are mobilizing an immediate donation to the U.N. World Food Programme's emergency operation to provide food assistance to affected families in Ukraine and its borders."

The U.N. World Food Programme recently launched an emergency operation seeking \$570M in emergency response to provide food assistance for civilians fleeing the conflict in Ukraine.

AGCO Corporation and the AAF have opened a "ShareTheMeal" team campaign with the U.N. World Food Programme to achieve a **182,000 meal goal** in three months as an extension of the total donation. As a result, AGCO employees and concerned stakeholders can donate as individuals or groups to support the ongoing emergency relief and food assistance in Ukraine. Fifty-five cents can provide one meal per day.

"Our first priority was protecting our Ukrainian employees and their families. Our collective concern then quickly shifted to actions we could take to support Ukraine," said Ivory Harris, Chief Human Resources Officer at AGCO. "We are grateful to contribute to the U.N. World Food Programme and to offer our employees the opportunity to contribute to emergency food assistance for Ukraine through our ShareTheMeal team challenge."

Join the 'AGCO Ukraine Emergency Relief' ShareTheMeal

Download the ShareTheMeal app on [Google Play](#) or [App Store](#) and join the '**AGCO Ukraine Emergency Relief**' team challenge or directly access the challenge via web [here](#) to provide food assistance to families in Ukraine through the U.N. World Food Programme. Through your generous donation, we can reach and feed more people.

- **\$0.80 can feed a person for a day, covering 2000 Kcal requirements of an adult**
- **\$5.60 can feed a person for a week**
- **\$24 can feed a person for a month (based on 30 days)**
- **\$72 can feed a person for three months (based on 90 days)**
- **\$292 can feed a person for a year**

Please join us today to ensure this humanitarian crisis does not become a hunger and food insecurity crisis.
