Fendt jubilarians celebrated a total of 4,745 years with the company

On May 12th, 2022, 271 jubilarians celebrated their many years of service with Fendt at the Fendt Forum. Employees who have been with Fendt for 10, 25, 40 and even 50 years were honored. Together, the employees work in total 4,745 years at Fendt.

A special tradition took place again this year: The Fendt Jubilee Celebration. Due to the Corona pandemic, it could not be celebrated on a large scale last year and was postponed. All the more exuberant was the spirit at this year's celebration for the 2021 jubilarians at the Fendt Forum.

Ingrid Bußjäger-Martin (Managing Director Finance & IT Fendt)

"I am very pleased to celebrate with you today. Through your many years of commitment, you have made Fendt the company it is today," said Ingrid Bußjäger-Martin, Managing Director Finance and IT Fendt, visibly proud. "We owe the success of the Fendt brand to the employees who set high quality standards for the company every day - you're your experience, expertise and motivation. Thank you for your loyalty and terrific cooperation. Congratulations to everyone who celebrated their anniversary last year!"

Ingrid Bußjäger-Martin (left) and Walter Wagner (right) awarded Ekkehart Gläser (center | Managing Director Fendt Production) for his 10 years of service with Fendt.

56 employees look back on 25 years of service. 39 employees look back on 40 years of Fendt history and Karl-Heinz Welz even on half a century! A lot has changed during this time. The Fendt company celebrated a successful business year in 2021 with awards such as "Tractor of the Year - Fendt 211 Vario", "DLG Top Employer in Agribusiness" or the first place in the dealer satisfaction barometer 2021, Fendt convinced independent juries. In 2022, Fendt was already able to celebrate the expansion of the Hohenmölsen site with a new painting facility and a new logistics center.

10 years Fendt

25 years Fendt

40 years Fendt
