

AGCO Agriculture Foundation Donates \$50,000 to Support Continuing Relief Efforts in Ukraine

August 22, 2023

The [AGCO Agriculture Foundation](#) ("the Foundation"), a private foundation with the vision to prevent and relieve hunger through sustainable agricultural development, announced a **USD 50,000** grant to the [MHP-Gromadi Charitable Foundation](#) to support its community-focused initiative to provide high-quality food – Ko-Ko – for Ukrainian babies (age 6-18 months) and canned ready-to-eat poultry meat for internally displaced persons (IDPs) in the Eastern and Southern regions of Ukraine.

In continued support of the Ukraine Humanitarian Aid program, the Foundation's donation to MHP-Gromadi comes at a crucial time when there is a more urgent focus on food nutrition of children and IDP groups displaced because of the war.

"Food relief assistance for children and displaced people in Ukraine remains a critical humanitarian effort towards recovery," said Roger Batkin, Chair of the AGCO Agriculture Foundation. "Supporting the MHP-Gromadi Charitable Foundation initiative in Ukraine will mean creating access to healthy food for affected families and allowing babies to have access to nutrition needed to survive and thrive."

The Foundation donation will help the MHP-Gromadi Charitable Foundation deliver Ko-Ko to an additional 14,500 families and more than 70 tons of canned ready-to-eat poultry meat products to families in the IDPs in the Eastern and Southern regions of Ukraine.
