## **Intivity Center: A Year in Review**

A year in review - from welcoming the first visitor to producing the 200<sup>th</sup> HHP tractor, Intivity Center and the new tractor assembly line has seen its share of milestones over the last year. In fact, July 2013 saw Intivity Center bring in its 10,000<sup>th</sup> visitor. This video was created to commemorate the first anniversary of Intivity Center and the growth that has happened because of AGCO's expansion efforts in Jackson, Minnesota.
